### School Leadership Teams (SLTs)

School Leadership Teams are vehicles for developing school-based educational policies, and ensuring that resources are aligned to implement those policies. SLTs assist in the evaluation and assessment of a school's educational programs and their effects on student achievement. Meetings are open to the public and are held at 7:15 am, the second Tuesday of the month in the Resource Room; unless otherwise noted. Members of the public may not vote, nor participate in consensus decisions.

Any member of the public who wishes to speak at an SLT meeting must submit a written request to the Team no later than one (1) week prior to that meeting. You may address your request to: PS150QSLT@gmail.com. To read more about the SLT and their role please follow the link below:
